

Halloween Bingo

Classroom Edition · a free printable from The Threads Between

What's inside

- 25 unique bingo cards (5 x 5 with a FREE center) — one for every student
- 24 calling cards to cut apart, plus a caller's tracker sheet
- No two cards share a winning line, so there's always a single first winner

How to play (10–15 minutes per round)

1. Hand each student a card. Markers: candy corn, mini erasers, buttons, cereal, or a crayon.
2. Shuffle the calling cards. Draw one at a time, say the name, and hold it up for early readers to match the picture.
3. Check it off on the tracker sheet so you can verify a winner.
4. First to cover 5 in a row (across, down, or diagonal) shouts "BOO!"
5. Keep playing for 2nd and 3rd place — the FREE space counts for everyone.

Ways to play

- Four corners · Picture frame (outer edge) · Blackout (great for a longer round)
- Swap cards between rounds so nobody gets stuck with an unlucky card.

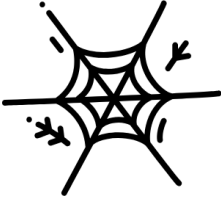

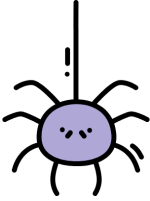

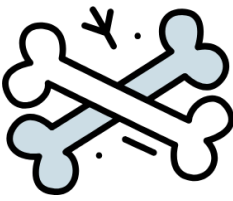

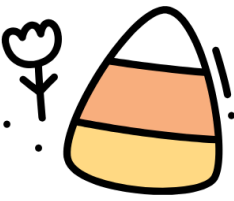

Tips for teachers & room parents

- Print on US Letter at 100% scale. Cardstock holds up best; laminate to reuse every year.
- Print cards single-sided. Calling cards and the tracker are the last 3 pages.
- Small prizes: stickers, pencils, or line-leader for the day keep it fuss-free.
